### Declaration by Applicant

I hereby declare that the above statement contained within this application and attached drawings are true and correct. I agree that where required, a Development Permit must be issued in order for the Building Permit to be valid. Neither document relieves the owner, the applicant, or the owner's agent from complying with all the municipal bylaws and/or Provincial and Federal acts and regulations including the National Building Code of Canada (NBC), the National Energy Code of Canada for Buildings (NECB), the National Plumbing Code of Canada (NPC), and that it is my responsibility to ensure compliance with such legislation, regulations, bylaws, and codes regardless of any plan review or inspections that may or may not be carried out by the building official, local authority, or its authorized representatives. I agree that no construction shall commence without proper permits and approvals.
